Dear John Allen,

It was good to see you at the ACC lectures last week and to visit with you briefly. We are really looking forward to having you with us for the evening of March 24th.

If you could send us a picture of yourself and also some information as we were discussing last week, this will help us in our publicity work.

Our feeling is that this youth devotional is really going to be beneficial to our young people. We are working hard to make it a real success.

If there is anyway that we can help you, please be sure to call on us. Lyn and I will be looking forward to having you in our home for the night on March 24th.

Sincerely,

James
